

# ***Girl (Why You Wanna Make Me Blue)***

I love you girl, with all my heart and soul.  
I can't understand why you treat me cold.  
Your every wish, girl, is my command  
And that's why I can't seem to understand why,

***Girl, girl, girl why you wanna make me blue?  
I'm askin' you girl, girl, girl why you wanna make me blue?***

One day you say you love me too.  
The next day you tell me that we are through.  
My love for you is just a game.  
But each time we play, girl, my heart feels the pain.

***Girl, girl, girl why you wanna make me blue? Oh  
Girl, girl, girl why you wanna make me blue? So blue***

[Instrumental]

Woo girl, girl, girl why you wanna make me blue? (***Make me blue***)  
Oh girl, oh girl, oh girl tell me why can't you be true? (***Can't be true***)  
The way you treat me it just isn't fair.  
You make it so plain you just don't care.  
You have a ball around my time.  
Sleepless nights are getting me tired.

***Girl, girl, girl why you wanna make me blue?  
I'm askin' you girl, girl, girl why you wanna make me blue?  
Baby,  
Girl, girl, girl why you wanna make me blue?***
