

☉ Shining Star

We gotta find the funk

[Repeat 8x]

When you wish upon a star
Dreams will take you very far, yeah
But when you wish upon a dream
Life ain't always what it seems, oh yeah
What'd you see, on nights so clear
In the sky, so very dear, yeah

***You're a shining star
No matter who you are
Shining bright to see
What you could truly be
(What you could truly be)***

Shining star come into view
To shine its watchful light on you, yeah
Give you strength to carry on, yeah
Girl, make your body big and strong, yeah

Born a man-child of the sun, yeah
Saw my work had just begun, yeah
Found I had to stand alone, yeah
Well bless it now I've got my own, oh yeah

So if you find yourself in need
Why don't cha listen to these worlds of heed
Be a giant, or grain of sand
Words of wisdom - "Yes, I can"

***You're a shining star
No matter who you are
Shining bright to see
What you can truly be***

[Repeat 2x]

**Shining star, for you to see
What your life can truly be**

[Repeat 3x]

You gotta feel the fire, come on, come on, Bounce
