

# 1. ONLY SO MUCH OIL IN THE GROUND

There is only so much oil in the ground  
Sooner or later there won't be much around  
Tell that to your kids while you're drivin'  
Round down town  
That there's only so much oil in the ground

•We can't cut loose without that juice  
Can't cut loose without that juice  
If we keep on like we're doin'  
Things for sure will not be cool  
It's a fact we just ain't got sufficient fuel

'Cause there's only so much oil in the ground  
Sooner or later there won't be none around  
Alternate sources of power must be found  
'Cause there's only so much oil in the ground

Yes there's only so much oil in the earth  
It's a fact of life for what it's worth  
Something every little girl and boy  
Should know from birth  
That there's only so much oil in the earth

••There's no excuse for our abuse  
No excuse for our abuse  
We just assume that what we use  
Will not exceed the oil supply  
But soon enough the world will watch  
The wells run dry

*(\*\* Repeat)*

'Cause there's only so much oil in the ground  
Soon or later there won't be none around  
You can tell that to your children  
While you drivin' 'round downtown  
That there's only so much oil in the ground  
And there's only so much oil in the earth  
Sooner than you think there's gonna  
Be a heavy duty dirth  
Then there won't be too much time for  
No merriment or mirth  
'Cause there's only so much oil in the earth

*(\* Repeat)*
