

Every Breath – The Police

Every breath you take
Every bond you break
I'll be watching you

Every move you make
Every step you take

Every single day
Every game you play
I'll be watching you

Every word you say
Every night you stay

Oh, can't you see
How my poor heart aches

You belong to me
With every step you take

Every move you make
Every smile you fake
I'll be watching you

Every vow you break
Every claim you stake

Since you've gone I been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby, please...

Whoa, whoa,

Oh, can't you see
How my poor heart aches

You belong to me
With every breath you take

Every move you make
Every smile you fake
I'll be watching you

Every vow you break
Every claim you stake

Every move you make
be watching you

Every step you take I'll

EVERY BREATH YOU TAKE
