I will Survive

First I was afraid, I was petrified,
kept thinking I could never live
without you by my side.
But then I spent so many nights,
thinking how you did me wrong,
and I grew strong
and I learned how to get along.

And so you're back from outer space.
I just walked in to find you here
with that sad look upon your face.
I should have changed that stupid lock.
I should have made you leave your key.
If I'd had known for just one second
you'd be back to bother me.

Oh now go, walk out the door.
Just turn around now
'cause you're not welcome anymore.
Weren't you the one who tried
to hurt me with goodbye?
Did you think I'd crumble?
Did you think I'd lay down and die?

Oh no not I.
I will survive.
Oh as long as I know how to love
I know I'll stay alive.
I got all my life to live
and I got all my love to give.
I'll survive. I will survive. hey hey

I WILL SURVIVE

VERSE 1 SL
At first I was afraid I was petrified
Kept thinkin' I could never live without you by my side;
But then I spent so many nights
Thinkin' how you did me wrong
And I grew strong

VERSE 2 UP
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'd've known for just one second you'd back to bother me

CHORUS 1
Go on now, go walk out the door
Just turn around now
('cause) you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did I crumble
Did you think I'd lay down and die?
Oh no, not.I. I will survive
Oh as long as I know how to love I know I'll stay alive;
I've got all my life to live,
I've got all my love to give and I'll survive,
I will survive. Hey hey.

VERSE 3
It took all the strength I had not to fall apart
Kept trying' hard to mend the pieces of my broken heart,
And I spent oh so many nights
Just feeling sorry for myself. I used to cry
But now I hold my head up high
And you see me somebody new
I'm not that chained up little person still in love with you,
And so you feel like droppin' in
And just expect me to be free,
Now I'm savin' all my lovin' for someone who's lovin' me

REPEAT CHORUS TILL END
