

Miss You

INTRO

VERSE 1 I've been holding out so long
I've been sleeping all alone
Lord I miss you
I've been hanging on the phone
I've been sleeping all alone
I want to kiss you

CHORUS X2 Oooh oooh oooh oooh oooh oooh oooh...

VERSE 2 Well, I've been haunted in my sleep
You've been starring in my dreams
Lord I miss you
I've been waiting in the hall
Been waiting on your call
When the phone rings
It's just some friends of mine that say,
Hey, what's the matter man?
We're gonna come around at twelve
With some Puerto Rican girls that are just dying to meet you.
We're gonna bring a case of wine
Hey, let's go mess and fool around
You know, like we used to

CHORUS X2 Aaah aaah aaah aaah aaah aaah aaah...

BRIDGE Oh everybody waits so long
Oh baby why you wait so long
Wont you come on! come on!

INTELUDE I've been walking in central park
Singing after dark
People think I'm crazy
I've been stumbling on my feet
Shuffling through the street
Asking people, what's the matter with you boy
Sometimes I want to say to myself
Sometimes I say

CHORUS X2 Oooh oooh oooh oooh oooh oooh oooh...

SOLO SAX

VERSE 4 I guess I'm lying to myself
It's just you and no one else
Lord I won't miss you child
You've been blotting out my mind
Fooling on my time
No, I won't miss you, baby, yeah
Lord, I miss you child

CHORUS X3 Aaah aaah aaah aaah aaah aaah aaah... (Lord, I miss you child)
