INTRO	PIANO
VERSE 1	I'll sing it one last time for you Then we really have to go You've been the only thing that's right In a life time
VERSE 2	And I can barely look at you But every single time I do I know we'll make it anywhere Away from here
CHORUS	Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you, dear Louder, louder And we'll run for our lives I can hardly speak, I understand Why you can't raise your voice to say
VERSE 3	To think I might not see those eyes Makes it so hard not to cry And as we say our long goodbyes I nearly do
CHORUS	Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you, dear Louder, louder And we'll run for our lives I can hardly speak, I understand Why you can't raise your voice to say
SOLO	La de dah
CHORUS	Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you, dear Louder, louder And we'll run for our lives I can hardly speak, I understand Why you can't raise your voice to say
