

# Heart of Glass

INTRO

VERSE 1    Once I had a love and it was a gas  
              Soon turned out had a heart of glass  
              Seemed like the real thing, only to find  
              Mucho mistrust, love's gone behind

VERSE 2    Once I had a love and it was divine  
              Soon found out I was losing my mind  
              It seemed like the real thing but I was so blind  
              Mucho mistrust, love's gone behind

BRIDGE     In between  
              What I find is pleasing and I'm feeling fine  
              Love is so confusing there's no peace of mind  
              If I fear I'm losing you it's just no good  
              You teasing like you do

VERSE 1    Once I had a love and it was a gas  
              Soon turned out had a heart of glass  
              Seemed like the real thing, only to find  
              Mucho mistrust, love's gone behind

BRIDGE     Lost inside  
              Adorable illusion and I cannot hide  
              I'm the one you're using, please don't push me aside  
              We coulda made it cruising, yeah

SOLO        SYNTH  
              Nah nah nah...  
              Yeah, riding high on love's true bluish light  
              Ooo ooo woo oh [X4]
