

# SHAKE YOUR TAILFEATHER

VERSE 1                    Well I heard about the fellow  
                                  You've been dancing with  
                                  All over the neighbourhood  
                                  So why didn't you ask me baby  
                                  Or didn't you think I could?

VERSE 2                    Well I know that the boogaloo is out of sight  
                                  But the shingaling's the thing tonight  
                                  But if that was you and me a now baby  
                                  I would have shown you how to do it right  
                                  Do it right (U-huh)  
                                  Do it right (Do it right)  
                                  Do it right , Do it right , Do it right AHHHH

CHORUS                    Twistin', shake it shake it shake it shake it baby  
                                  Hey we gonna loop de loop  
                                  Shake it out baby  
                                  Hey we gonna loop de la  
                                  Come on and let me see ya shake your tailfeather X 4  
                                  Aaah

## REPEAT CHORUS

                                  Come on, come on baby  
                                  Come on, yeah, come on babe, alright  
                                  Do the twist  
                                  Do the fly  
                                  Do the swim  
                                  And do the bird  
                                  Well do the duck  
                                  Aaah, and do the monkey  
                                  Hey hey, watusi  
                                  And a what about the food  
                                  Do the mashed potato  
                                  What about the boogaloo  
                                  Oh, the bony marony  
                                  Come on let's do the twist  
                                  Aaah
