

12 12 12

VERSE 1 I bet you're wondering
Cause it's all about
You are the best dad
I love my family
I've got a brother
I've got a sister
When were together
Cause I've got a mother

What this song will say
Our own ElRay
That's in the world today
We are all ok
He's kind of sweet
And we're complete
Fun's all around
Who Rocks The House

CHORUS 12 12 12 is the day we celebrate
12 12 12 the Armani suit looks great
Check my hair and Specs
Oh I can't wait
To say hip hip hooray
Happy birthday El Ray

VERSE 2 You took me places
To all the corners
And coming home
I'm in the back seat
You hit your forties
You tour the world
Now in your fifties
I'll bet your planning

You told me of
Of this whole world
With friends to play
Of a Mercedes Benz
And started a band
By air and land
What will you do?
The first gig on the moon!

CHORUS 12 12 12 is the day we celebrate
12 12 12 Here with Studio 188
Oh the band is looking good and playing tight
Say hip hip hooray Happy Birthday ElRay

BRIDGE Well I'm sure you misbehaved when you were young
and always playing the fool
But you must have learned your lesson over time
And that's why your so Cool
You're a Playa, Got the Swagger, Got the Girl
And you've got all the moves !!!!!

SOLO Guitar Solo

VERSE 3 You are the master
Just as long as
Singing the jams
No one looks better
So many friends
Yet you deliver
The kindest man
You earn your karma

at being cool
The Eskys full
Till you go mute
In a gold lame suit
To share the love
Beyond and above
The world has seen
By living the Dream

CHORUS 12 12 12 is the day we celebrate
12 12 12 Here with Studio 188
Oh the band is looking good and playing tight
Say hip hip hooray Happy Birthday ElRay
