

Hang In Long Enough

INTRO

VERSE 1 The signs gettin' clearer, Clearer than you need
The writing's on the wall, For you to see

PRE You never thought you'd ever get the taste
You never thought that it could be this good
Just tell me what you want and I'll find the key
Just reach out and touch it's all yours

CHORUS If you hang in long enough
You'll do it

Well just hang in long enough

VERSE 2 You're down on the ground, broke, Or so you say
You'd sell the hole in your pocket, If you could find a way

VERSE 3 Don't ask me how I know, 'Cos you don't wanna hear
It's been a long hard road, And the end is getting near

PRE You never thought you'd ever get the chance
You never thought your break would come along
If you tell me what you want, I'll find the key
Just reach out and touch it's all yours

CHORUS If you hang in long enough
You'll do it

Well just hang in long enough

SOLO HORNS

BRIDGE They always say
'The best things in life are free'
But you want to have everything
Well you're going to have to beg if you want it all

CHORUS (You're gonna have to wait)
So hang in long enough
And you'll do it
Just hang in long enough

VERSE 4 Well, they'll let you out, But then pull you in
Playing hell with your emotions, You'll feel like giving in, yeah

CHORUS Just hang in long enough
And you'll do it
Ouch! Hang in long enough
And you'll do it, yeah
Hang in long enough
And you'll do it

SOLO HORNS

OUTRO Hang in, You'll do it, Hang in, You'll do it, Hang in, You'll do it...
