

# Let It Roll

**INTRO**

**VERSE 1** Rollin' down highway 95  
Sailin' through her hometown countryside  
Move on over stand astride  
My cruise control's in overdrive  
Need to take my baby for a ride

**CHORUS** Ooo she's like a smooth stretch of highway  
Ooo she's like a cool Summer breeze  
If my motor's runnin' right  
we might lose control tonight  
Got the shape I love to squeeze,  
Looks that bring me to my knees  
Oh please, let it roll tonight

When I sit my baby right down by my side
