

PARTY IN THE USA

Verse 1

I hopped off the plane at LAX
With a dream and my cardigan
Welcome to the land of fame access
Am I gonna fit in?
Jumped in a cab
Here I am for the first time
Looked to my right
And I see the Hollywood sign
This is all so crazy
Everybody's seems' so famous
My tummy's turnin'
And I'm feelin' kinda homesick
Too much pressure and I'm nervous
'Cause when the taxi man
Turned on the radio
And a JAY-Z song was on(x3)

Chorus

So I put my hands up They're playing my song
 The butterflies fly away
Noddin' my head like yeah! Moving my hips like Yeah
I put my hands up They're playing my song
 Ya know I'm gonna be okay
Yeah It's a party in the USA!
Yeah It's a party in the USA!

Verse 2

Get to the club in my taxi cab
Everybody's lookin' at me now
Like who's that chick that's rockin' kicks
She gotta be from outta town
So hard with my girls not around me
It's definitely not a Nashville party
'Cause all I see are stilletos
I guess I never got the memo
My tummy's turnin'
And I'm feelin' kinda homesick
Too much pressure and I'm nervous
'Cause when the DJ
Dropped my favorite tune
And a britney song was on(x3)

CHORUS1

Bridge

I feel like hoppin' on a flight
Back to my hometown tonight
Somethin' stops me everytime
The DJ plays my song and I feel alright

Chorus x 2
