

Sex Bomb .

Verse 1

Spy on me baby use satellite
Infrared to see me move through the night
Aim gonna fire shoot me right
I'm gonna like the way you fight
Now you found the secret code I use
to wash away my lonely blues well
So I cant deny or lie cause youre
The only one to make me fly

Chorus

Sexbomb sexbomb youre a sexbomb uh, huh
You can give it to me when I need to come along
Sexbomb sexbomb youre my sexbomb
And baby you can turn me on baby you can turn me on

Verse 2

No dont get me wrong aint gonna do you no harm
This bombs for lovin and you can shoot it far
Im your main target come and help me ignite
Love struck holding you tight
Make me explode although you know
the route to go to sex me slow
And yes I must react to claims of those
who say that you are not all that

You can turn me upside down inside out
You can make me feel the real deal I can give it to you
