RAP	This love is a blaze I saw flames from the side of the stage And the fire brigade comes in a couple of days Until then we got nothing to say and nothing to know But something to drink and maybe something to smoke	
OUT & IN	Let it go until our roads are changed Singing we found love in a local rave No, I don't really know what I'm supposed to say But I can just figure it out and hope and pray I told her my name and said, "It's nice to meet ya." Then she handed me a bottle of water filled with tequila. I already know she's a keeper Just from this one small act of kindness, I'm in deep shit if anybody finds out I'm meant to drive home but I've drunk all of it now, not Sobering up we just sit on the couch One thing led to another Now she's kissing my mouth
