

TALKING TO THE MOON

VERSE 1 I know you're somewhere out there Somewhere far away
I want you back I want you back
My neighbors think I'm crazy But they don't understand
You're all I have You're all I have

PRE At night when the stars Light up my room
I sit by myself

CHORUS Talking to the moon, tryin' to get to you
In hopes you're on the other side talking to me too
Or, am I a fool who sits alone talking to the moon

VERSE 2 I'm feeling like I'm famous The talk of the town
They say I've gone mad Yeah, I've gone mad
But they don't know what I know 'Cause when the sun goes
down
Someone's talking back Yeah, they're talking back

BRIDGE Ahh ahhh Do you ever hear me calling?
