Piano and perc.

## Intro

## Verse 1

I can't light no more  
of your darkness  
All my pictures seem  
to fade to black and white  
I'm growing tired  
and time stands still before me  
Frozen here on the  
ladder of my life

## Verse 2

Too late to save  
myself from falling  
I took a chance and  
changed your way of life  
But you misread my  
meaning when I met you  
Closed the door and  
left me blinded by the light

BASS DOWN

## Chorus

Don't let the sun go down on me  
Although I search myself,  
it's always someone else I see  
I'd just allow a fragment  
of your life to wander free  
But losing everything  
is like the sun going down on me

## Verse 3

I can't find,  
oh the right romantic line  
But see me once  
and see the way I feel  
Don't discard me just  
because you think I mean you harm  
But these cuts I have they need love to help them heal
