

# Double trouble

Swing big band

**intro1** | Bm7<sub>13</sub> /A | G7 F#7 | **x4**

**verse1** Walkin' down a lonely street | Bm7<sub>13</sub> /A | G7 F#7 | **x8**  
Mind my business, keep it discrete  
In the darkness heard a scream  
As I listened, what could it be?

A bullet flashing by  
Saw the hit right before my eyes  
The gangster and the crime  
The right place but at the wrong time

**bridge1** Suddenly I was spotted | Em | Bm | Em | Bm | Em |  
There was no place to hide Bm | F#7 | F#7 |  
Scared I turned and I ran into the night, oh

**chorus** I'm in big, big trouble | Bm /A | G7 F#7 | Bm A7 | G7 F#7 | **x3**  
Double trouble  
I saw things that I shouldn't see | Bm /A | G7 F#7 | Bm A7 | F#7 |  
Big big, double trouble  
Now they're coming for me  
I'm in big, big trouble  
Double trouble  
Being somewhere I shouldn't be  
Big big, double trouble  
Now they're coming for me

**intro1** | Bm7<sub>13</sub> /A | G7 F#7 | **x4**

**verse2** Ain't no coppers on the beat | Bm7<sub>13</sub> /A | G7 F#7 | **x4**  
In the summer talkin' is cheap  
Keep my cover a mystique  
Calm and cool, but feelin' the heat

**bridge2** Everyone has a secret | Em | Bm | Em | Bm | Em |  
That he wants to confide Bm | F#7 | F#7 |  
Trouble is that I keep mine locked inside, oh

**chorus**

 Double trouble  
 I saw things that I shouldn't see | Bm /A | G7 F#7 | Bm A7 | F#7 |  
 Big trouble, double double trouble  
 Now they're coming for me  
 I'm in big, big trouble  
 Double trouble  
 Being somewhere I shouldn't be  
 Big big trouble, double trouble  
 Now they're coming for me

**bridge3**

Won't somebody help | Em | / | Bm/F# | / | Fdim7 | / | F#7 | / |  
 Won't somebody tell me  
 How to set this trouble free?
