It seems to me that

we don't always get along

don't seem to try too long

Watching your neighbor

seems to fill you with alarm

Just 'coz he's different now,

don't mean he means you no harm

When we have problems,

seems we all just run and hide

F7 | **F7** | **F11** | **Bb7** | **Eb7** |

Time to discover why

we are feeling this way

Let's let love have its say
