Oh... I've had it up to here! | D | D | D | D | 2x
Take this pink ribbon off my eyes
I'm Exposed

This world is forcing me To hold your hand

Verse 2

The moment that I step outside Same chord as verse1
So many reasons
For me to run and hide
I can't do the little things I hold so dear
'Cause it's all those little things
That I fear

chorus2

'Cause I'm just a girl, | Bm A | G A | Bm A | G A | 3x |
I'd rather not be G | C |
'Cause they won't let me drive
Late at night
I'm just a girl,
Guess I'm some kind of freak
'Cause they all sit and stare
With their eyes
I'm just a girl,
Take a good look at me
Just your typical prototype

Oh... am I making myself clear?

I'm just a girl
I'm just a girl in the world...
That's all that you'll let me be!

I'm just a girl, living in captivity
Your rule of thumb
Makes me worry some
I'm just a girl, what's my destiny?
What I've succumbed to
Is making me numb
