

# No one

piano+drum

intro | E | B | C#m | A |

verse1

I just want you close  
Where you can stay forever | E | B | C#m | A |  
You can be sure  
That it will only get better

You and me together Through the days and nights  
I don't worry 'cause Everything's gonna be alright  
People keep talking They can say what they like  
But all I know is Everything's gonna be alright

chorus

And no one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel for you

verse 2

When the rain is pouring down And my heart is hurting  
You will always be around This I know for certain

You and me together Through the days and nights  
I don't worry 'cause Everything's gonna be alright  
People keep talking They can say what they like  
But all I know is Everything's gonna be alright

Chorus

No one, no one, no one  
Can get in the way of what I'm feeling  
No one, no one, no one  
Can get in the way of what I feel for you, you, you  
Can get in the way of what I feel

I know some people | F#m // B | E/G# | A | C#m // A | F#m // B |  
search the world E/G# // C#m | A | Bsus |  
To find something  
like what we have

So till the end of time, I'm telling you that in the world
