

**Don't Look Back In anger.**

**Slip inside the eye of your mind  
Dont you know you might find  
A better place to play  
You said that youve never been  
But all the things that youve seen  
They slowly fade away**

**So Ill start a revolution from my bed  
cuz you said the brains I had went to my head  
Step outside, summertimes in bloom  
Stand up beside the fireplace  
Take that look from off your face  
You aint ever gonna burn my heart out**

**And so, sally can wait  
She knows its too late as were walking on by  
Her soul slides away  
But dont look back in anger  
I heard you say**

**Take me to the place where you go  
Where nobody knows  
If its not our day  
Please dont put your life in the hands  
Of a rock and roll band  
[and? youll? ] throw it all away**
