Double trouble

Swing big band

intro1 | Bm7₁₃ /A | G7 F#7 | **x4**

verse1
 Walkin' down a lonely street
Mind my business, keep it discrete | Bm7₁₃ /A | G7 F#7 | **x8**
In the darkness heard a scream
As I listened, what could it be?

A bullet flashing by
Saw the hit right before my eyes
The gangster and the crime
The right place but at the wrong time

bridge1
Suddenly I was spotted | Em | Bm | Em | Bm | Em |
There was no place to hide   Bm | F#7 | F#7 |
Scared I turned and I ran into the night, oh

I'm in big, big trouble
Double trouble | Bm /A | G7 F#7 | Bm A7 | G7 F#7 | **x3**
I saw things that I shouldn't see
Big big, double trouble | Bm /A | G7 F#7 | Bm A7 | F#7 |
Now they're coming for me
I'm in big, big trouble
Double trouble
Being somewhere I shouldn't be
Big big, double trouble
Now they're coming for me

Ain't no coppers on the beat
In the summer talkin' is cheap | Bm7₁₃ /A | G7 F#7 | **x4**
Keep my cover a mystique
Calm and cool, but feelin' the heat

Now they're coming for me
