Yeah, yeah, yeah

verse1

It seems to me that
we don't always get along
If we are trying now,   **| F79 | F11 | Bb713 | Eb7 | F79 | F11 |**
don't seem to try too long   **Bb713 | Eb7 Eb7 E7 F7 |**
Watching your neighbor
seems to fill you with alarm
Just 'coz he's different now,
don't mean he means you no harm

City living got us all pent up inside **| F79 | F11 | Bb713 | Eb7 Eb7 E7**
When we have problems,   **F7 | F7 | F11 | Bb7 | Eb 7 |**
seems we all just run and hide
Time to discover why
 we are feeling this way
Let's let love have its say

I know you need it   **| F79 | F7 F7 F#7 G7 | G7 | G7 |**

We're all gonna need it someday
We seem to lose our way   Somehow got lead astray
That's why I'm here to stay Gotta get back, get back to
love

 now but still, it ain't too late
