

I will Survive

**First I was afraid, I was petrified,
kept thinking I could never live
without you by my side.
But then I spent so many nights,
thinking how you did me wrong,
and I grew strong
and I learned how to get along.**

**And so you're back from outer space.
I just walked in to find you here
with that sad look upon your face.
I should have changed that stupid lock.
I should have made you leave your key.
If I'd had known for just one second
you'd be back to bother me.**

**Oh now go, walk out the door.
Just turn around now
'cause you're not welcome anymore.
Weren't you the one who tried
to hurt me with goodbye?
Did you think I'd crumble?
Did you think I'd lay down and die?**

**Oh no not I.
I will survive.
Oh as long as I know how to love
I know I'll stay alive.
I got all my life to live
and I got all my love to give.
I'll survive. I will survive. hey hey**
