

## Jet Airliner

Leavin home, out on the road      Ive been down before  
Ridin along in this big ol jet plane      Ive been thinkin about my home  
But my love light seems so far away      And I feel like its all been done  
Somebodys tryin to make me stay      You know Ive got to be movin on

Oh, oh big ol jet airliner  
Dont carry me too far away  
Oh, oh big ol jet airliner  
Cause its here that I've got to stay

Goodbye to all my friends at home      Goodbye to people Ive trusted  
Ive got to go out and make my way  
I might get rich you know I might get busted  
But my heart keeps calling me backwards      As I get on the 707  
Ridin high I got tears in my eyes  
You know you got to go through hell      Before you get to heaven

Touchin down in new england town      Feel the heat comin down  
Ive got to keep on keepin on  
You know the big wheel keeps on spinnin around  
And Im goin with some hesitation      You know that I can surely see  
That I dont want to get caught up in any of that  
Funky shit goin down in the city
