

Just Like a Pill

Intro	A F#m D E
Verse	I'm lyin' here on the floor where you left me A F#m D E x2 I think I took too much I'm crying here, what have you done? I thought it would be fun
Bridge	I can't stay on your life support, there's a D E D E x2 shortage in the switch, I can't stay on your morphine, cuz its making me itch I said I tried to call the nurse again but shes being a little bitch, I think I'll get outta here, where I can
Chorus	Run just as fast as I can A F#m D E x2 To the middle of nowhere To the middle of my frustrated fears And I swear you're just like a pill Instead of makin' me better, you keep makin' me ill You keep makin' me ill
Intro	
Verse 2	I haven't moved from the spot where you left me This must be a bad trip All of the other pills, they were different Maybe I should get some help
Bridge	
Chorus x2	
Bridge	
Chorus	Repeat Till Fade
