Verse

Gotta make a change for once in my life
It's gonna feel real good gonna make a difference
Gonna make it right
As I turned up the collar on a favorite winter coat
This wind is blowin' my mind
I see the kids in the street with not enough to eat
Who am I to be blind pretending not to see their needs

Same Chords as in intro x4

Bridge

A summer's disregard
A broken bottle top
And a one man's soul
They follow each other
On the wind ya' know
'Cause they got nowhere to go
That's why I want you to know

Band IN

| Gm7 | F/A | Bb | Csus4 |

Chorus

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change, yey

Verse 2

I've been a victim of a selfish kinda love
It's time that I realize there are some with no home
Not a nickel to loan
Could it be really pretending that they're not alone

Same Chords as in intro x2

Bridge 2

A willow deeply scarred
Somebody's broken heart
And a washed out dream
(Washed out dream)
They follow the pattern of the wind ya' see
'Cause they got no place to be
That's why I'm starting with me
