

MY SENSES DRIVEN WILD

INTRO Piano and Guitar - 4 bars

VERSE 1

Our tepid first encounter
Sparked our interest twice around
Humorous, connectivity
Chem reaction was abound
Our days and nights would blend
Love rising like the sun
A 2nd look had let us
See what had begun

Your smell, your look
And oh, your touch
My senses driven wild
I see your love and mine
On the faces of each child
My senses driven wild

VERSE 2

Our party love had turned, to bonds for life
We made two miracles, and I made you my wife
In times of laughter, came songs from tears
Our love, it still strengthens on,
thru these passing years

CHORUS

BRIDGE

Will we last like lifetime lovers?
Or betray ourselves like, so many others
Where do we go from here?
