INTRO

I C#m | F#m | Emj | F#m | X 2

VERSE 1

Listen to the ground  
There is movement all around  
There is something goin' down  
And I can feel it  
On the waves of the air  
There is dancin' out there  
It's somethin' we can't share  
We can steal it

BRIDGE

And that sweet city woman  
She moved through the light  
Controlling my mind and my soul  
When you reach out for me, yeah  
And the feelin' is right

CHORUS

Then I get night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it

TRIPPY BIT

Here I am  
Prayin' for this moment to last  
Livin' on the music so fine  
Borne on the wind  
Makin' it mine

I F#C#m | F# | C# |

CHORUS

Night fever, night fever  
We know how to do it  
Gimme that night fever, night fever  
We know how to show it

VERSE 2

In the heat of our love  
Don't need no help for us to make it  
Gimme just enough  
To take us to the mornin'  
I got fire in my mind  
I got higher in my walkin'  
And I'm glowin' in the dark  
Give you warnin'
