

REELIN' IN THE YEARS

Reelin in the Years

Your everlasting summer You can see it fading fast
So you grab a piece of something That you think is gonna last
You wouldn't know a diamond If you held it in your hand
The things you think are precious I can't understand

Chorus:

Are you reelin in the years
Stowin away the time
Are you gatherin up the tears
Have you had enough of mine

You been tellin me you're a genius Since you were seventeen
In all the time I've known you I still don't know what you mean
The weekend at the college Didn't turn out like you planned
The things that pass for knowledge I can't understand

Chorus + Instrumental

I spend a lot of money And I spent a lot of time
The trip we made in Hollywood Is etched upon my mind
After all the things we've done and seen You find another man
The things you think are useless I can't understand
