

## Los Lonely Boys - Senorita Lyrics

I've got to say there's something on my mind  
About the way you've been for a long long time  
You've got your mind set up on what your going to do *(what ya going do)*  
Let me tell you baby Momma didn't raise no fool  
You're my little seniorita *si puede es* ...mas bonita  
You got it going on hey hey hey

LEAD

Momma warned me about a girl like you *dolodododa do*  
Said a girl like that is gonna break your heart in two  
Your sexy legs and hair and nasty looking walk *(nasty looking walk!)*  
Stop right there Momma you know that's what I want

*(Chorus)* You're my little seniorita...mas bonita  
You got it going on hey hey hey  
X 2

*Lead*  
*oh de la!*  
*Your my little*  
*Seniorita!*
