

Backman-turner overdrive-Takin' Care of Business Lyrics

(Musical Intro)

You get up every morning
From your' larm clock's warning
Take the 8:15 into the city
There's a whistle up above
And people pushin', people shovin'
And the girls who try to look pretty
And if your train's on tome
You can get to work by nine
And start your slaving job to get your pay
If you ever get annoyed
Look at me I'm self-employed
I love to work at nothing all day
And I'll be

Taking care of business (every day)
Taking care of business (every way)
I've been taking care of business (it's all mine)
Taking care of business and working overtime
Work out (Guitar riff)

It if were easy as fishin'
You could be a musician
If you could make sounds lour or mellow
Get a second-hand guitar
Chañces are you'll go far
If you get in with the right bunch of fellow
People see you having fun
Just a-lying in the sun
Tell them that you like it this way
It's the work that we avoid
And we're all self-employed
We love to work at nothing all day
And we be

(Chorus) (Guitar riff)

Mercy Whoooooooo All right
(Instrumental interlude) (Guitar riff)
Take good care of my business
When I'm away every day Whoooooooo

(Lead Break) (1sr Versus) (Chorus)

(Brief Instrumental Interlude)

Takin'care of business *3
Takin'care of business(every day)
Takin'care of business(every way)
Takin'care of business(it's all mine)
