

California Sun

INTRO

VERSE 1

Well I'm goin' out west where I belong
Where the days are short and the nights are long

CHORUS

Where they walk and I'll walk
They twist and I'll twist
They shimmy and I'll shimmy
They fly and I'll fly
Well they're out there a-havin' fun
In the warm California sun

VERSE 2

Well I'm goin' out west out on the coast
Well the California girls are really the most

CHORUS

Where they walk and I'll walk
They twist and I'll twist
They shimmy and I'll shimmy
They fly and I'll fly
Well they're out there a-havin' fun
In the warm California sun

SOLO

VERSE 3

The girls are frisky in old 'Frisco
A pretty little chick wherever you go

CHORUS

Where they walk and I'll walk
They twist and I'll twist
They shimmy and I'll shimmy
They fly and I'll fly
Well they're out there a-havin' fun
In the warm California sun
Yeah they're out there a-havin' fun
In the warm California sun
