

Call Me Maybe

INTRO

VERSE 1 I threw a wish in the well, Don't ask me I'll never tell
I looked at you as it fell, And now you're in my way
I trade my soul for a wish, Pennies and dimes for a kiss
I wasn't looking for this, But now you're in my way

PRE Your stare was holding
Ripped jeans, Skin was showing
Hot night, Wind was blowing
Where you think you're going baby?

CHORUS Hey I just met you, And this is crazy
But here's my number, So call me maybe
It's hard to look right at you baby,
But here's my number
So call me maybe
Hey I just met you, And this is crazy
But here's my number, So call me maybe
And all the other boys, Try to chase me
But here's my number
So call me maybe

VERSE 2 You took your time with the call, I took no time with the fall
You gave me nothing at all, But still you're in my way
I beg and borrow and steal, At first sight and it's real
I didn't know I would feel it, But it's in my way

PRE Your stare was holding
....

CHORUS Hey I just met you....
....

BRIDGE Before you came into my life, I missed you so bad
I missed you so bad, I missed you so so bad
Before you came into my life, I missed you so bad
And you should know that, I missed you so so bad, bad, bad, bad....

SOLO [Mute - first four bars of chorus]

CHORUS It's hard to look right at you baby,
....

OUTRO Before you came into my life, I missed you so bad
I missed you so bad, I missed you so so bad
Before you came into my life, I missed you so bad
And you should know that
So call me, maybe
