VERSE 1

I was alone, I took a ride,
I didn't know what I would find there.
Another road, where maybe I
could see another kind of mind there.
Ooh, then I suddenly see you.
Oooh, did I tell you that I need you
Ev'ry single day of my life?

VERSE 2

You didn't run, you didn't lie,
You knew I wanna hold you
And had you gone you knew in time
We'd meet again for I had told you.
Ooh, you were meant to be near me.
Ooh, and I want you to hear me
Say we'll be together ev'ry day.

CHORUS

Got to get you into my life, into my life
Got to get you into my life, into my life
Got to get you into my life, into my life
Got to get you into my life, into my life
