

Let It Roll

INTRO

VERSE 1

Rollin' down highway 95
Sailin' through her hometown countryside
Move on over stand astride
My cruise control's in overdrive
Need to take my baby for a ride

CHORUS

Ooo she's like a smooth stretch of highway
Ooo she's like a cool Summer breeze
If my motor's runnin' right, we might lose control tonight
Got the shape I love to squeeze,
Looks that bring me to my knees
Oh please, let it roll tonight
