

# Living In America

- INTRO 1 BAR DRUM FILL, 16 BARS BAND  
Yeah, uh! Get up, now! Ow! Knock out this!
- VERSE 1 Super highways, coast to coast,  
easy to get anywhere  
On the transcontinental overload,  
just slide behind the wheel, How does it feel
- BRIDGE When there's no destination - that's too far  
And somewhere on the way,  
you might find out who you are
- CHORUS Living in America - eye to eye, station to station  
Living in America - hand to hand, across the nation  
Living in America - got to have a celebration  
Rock my soul
- VERSE 2 Smokestack, fatback,  
many miles of railroad track  
All night radio, keep on runnin' through your rock 'n' roll soul  
All night diners keep you awake,  
hey, on black coffee and a hard roll
- BRIDGE You might have to walk the fine line,  
'Cause you might take the hard line  
But everybody's working overtime
- CHORUS
- REFRAIN I live in America, help me out, But  
I live in America, wait a minute
- MIDDLE 2 You might not be looking for the promised land,  
But you might find it anyway,  
Under one of those old familiar names  
Like New Orleans (New Orleans), Detroit City (Detroit City),  
Dallas (Dallas), Pittsburg P.A. (Pittsburg P.A.),  
New York City (New York City), Kansas City (Kansas City),  
Atlanta (Atlanta), Chicago and L.A.
- CHORUS SAX Living in America - hit me -  
Living in America - yeah, I walk in and out,  
Living in America
- REFRAIN I live in America - state lines, gonna make the prime, that  
I live in America - hey, I know what it means
- SOLO TRUMPET Living in America - Eddie Murphy, eat your heart out
- CHORUS Living in America - hit me, I said now,  
Eye to eye, station to station
