

Play That Funky Music

INTRO **GUITAR** Hey, do it now, **BAND** Yeah, hey
Hey, Once I was a funky singer playin' in a Rock and Roll Band
I never had no problems, yeah, Burnin' down one night stands
And everything around me, yeah
Got to stop to feelin' so low, And I decided quickly (Yes I did)
To disco down and check out the show

BRIDGE Yeah, they was dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted

CHORUS Play that funky music white boy, Play that funky music right
Play that funky music white boy
Lay down the boogie and play that funky music till you die
Till you die, Oh ya, ya

VERSE 2 I tried to understand this, I thought that they were out of their minds
How could I be so foolish (How could I), To not see I was the one behind
So still I kept on fighting, Well, loosing every step of the way,
I said, I must go back there (I got to go back)
And check to see if things still the same

BRIDGE Yeah they was dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted

CHORUS Play that funky music white boy, Play that funky music right
Play that funky music white boy
Lay down the boogie and play that funky music till you die
Till you die, ya, Till you die
(Gonna play that electified funky music, yeah)

SOLO **GUITAR 8 BARS**

VERSE 3 (Hey, wait a minute), Now first it wasn't easy,
Changin' Rock and Roll and minds
I thought I'd have to leave it behind,
But now its so much better (it's so much better)
I'm funkign out in every way, But I'll never lose that feelin' (no I won't)
Of how I learned my lesson that day

BRIDGE When they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted

CHORUS Play that funky music white boy, Play that funky music right,
Play that funky music white boy,
Lay down the boogie and play that funky music till you die,
Till you die, Oh' till you die
They shouted play that funky music(Play that funky music)
Play that funky music (You Gotta keep on playin' funky music)
Play that funky music (Play that funky music)
Play that funky music (Come and take you higher, ya)
Play that funky music white boy, Play that funky music right, ya
Play that funky music white boy, Play that funky music right
Play that funky music white boy, Play that funky music right
