*You oughta **do things, do things, do things, good things with it***

Talk about cash money, money

Talk about cash money...dollar bills, yall

For the love of money, People will steal from their mother

For the love of money, People will rob their own brother

For the love of money, People can't even walk the street

Because they never know who in the world they're gonna beat

For that mean, mean, mean green, Almighty dollar, money

For the love of money, People will lie, Lord, they will cheat

For the love of money, People don't care who they hurt or beat

For the love of money, A woman will sell her precious body

For a small piece of paper it carries a lot of weight

For that mean, mean, mean green, Almighty dollar, talk about, talk about cash

Don't You know that..... money is the root of all evil

Do funny things to some people

Give me a nickel, brother can you spare a dime

Money can drive some people out of their minds

For the love of money, no good, no good, no good

For the love of money, don't sell your soul for the money no, no

For the love of money, lay down, lay down, a woman will lay down

Money is the root of all evil

Do funny things to some people

Give me a nickel, brother can you spare a dime

Money can drive some people out of their minds

For the love of money, got to have it, I really need it

For the love of money, give it up, give it up, give it up, ya

For the love of money, got to have it, some people really need it

For the love of money, give me, give me, give me, cash money
